GORDON SIMMONS SERVICE CREDIT UNION LEADER FROM 1974-2015

66113

Summary

GORDON SIMMONS SERVICE CREDIT UNION LEADER FROM 1974-2015

Gordon Simmons joined Service Credit Union in 1974. Before becoming President of Service, he served in various capacities, to include the direct management of three branch office locations throughout various points in his career, Vice President – Overseas Operations, and Senior Vice President.

He is dedicated to excellence, professionalism, support of the credit union movement and furthering the initiatives of all credit unions.

Gordon Simmons Service Credit Union Leader From 1974-2015
Gordon served as President/CEO and Treasurer/Secretary of the Board of Directors of Service Credit Union, headquartered in Portsmouth, New Hampshire from 1995 – 2015. Gordon Simmons Service Credit Union leader for 41 years brought a lot to the table.

Service Credit Union had more than \$2.7 billion in assets upon his retirement in 2015 and was the largest New Hampshire based credit union, the largest state chartered financial institution in New Hampshire and the 60th largest in the United States out of more than 6,000 credit unions.

Service Credit Union had 52 branch offices, 34 of which are in New Hampshire, one in Falmouth, Massachusetts, one in North Dakota at Grand Forks Air Force Base, a Virtual Branch and 15 additional offices in Germany that exclusively served U.S. Air Force and Army military members.

Upon his becoming President/CEO in January 1995, Service Credit Union offered basically savings, checking and loans.

Through the introduction of technology driven products and services, Gordon led improvements that afforded Service Credit Union's vast membership, spread around the world, 24/7 continual service and access to their financial accounts.

His product additions and accomplishments made the credit union relevant and viable, and a stiff competitor in the financial industry.
